HOW WE CAN HELP YOU TO SAVE MONEY ££££££

Buying and selling a home can sometimes be a stressful and expensive experience. If you contact us before you put your home on the market we can advise you how to negotiate the best possible terms and fees for the entire process, including estate agent fees and contracts.

OUR CONVEYANCING SERVICES

At Judge & Priestley our Conveyancing Solicitors have over 35 years of residential property experience. When you instruct us we will carry out all relevant legal searches and enquiries on the property, investigate the title and, where necessary, negotiate amendments to the contract and other documents. Our aim is to support and guide you through every stage of the conveyancing process, providing solid legal advice at all times.

From the outset we will give you a costs estimate which itemises the costs and disbursements that you will incur. There are no 'hidden extras' in our fees.

We pride ourselves on the fact that clients have direct access to Solicitors, who can be contacted at any time by telephone or email. You can rest assured that your transaction will be dealt with entirely by a Solicitor, not a paralegal or clerk.

We are independent Solicitors and act only for you and your best interests - not third parties. We do not pay referral fees for work. Our Conveyancing Solicitors have an excellent reputation and as such we are pleased to say that most of our work is repeat business.

It is best to use a Solicitor to create a HIP. The cost of a HIP from Judge & Priestley is substantially cheaper than other suppliers in the marketplace because we undertake them at cost price only for Judge & Priestley clients.

The HIP we provide belongs to you and we do not retain ownership.

"I was extremely impressed with the Judge & Priestley conveyancing team during my recent house sale and purchase. Madelaine's advice was well researched and very thorough and her recommendations were right for our situation. I have recommended Madelaine and Judge & Priestley to all my friends and family."
