The cost estimate relates to our professional services in administering a standard estate. The cost estimate takes into account the complexities which we were made aware of at the time of providing the quote. Our fee is dependent on the value of the estate for inheritance tax/probate purposes (the higher of the two).

The cost estimate does not include additional professional services such as conveyancing, matrimonial, litigation and tax planning. We will provide you with a cost estimate if we are instructed to undertake such work.
